

Queens Platinum Jubilee

On Sunday June 5th 2022, J's meadow proudly hosted part of the nation's Big Jubilee Lunch. The opening ceremony was performed by Major Napier, who unveiled a plaque on the Jubilee Oak Tree and cut a wonderful celebration cake. The residents of Syleham and Wingfield were then

treated to a day of celebration with free Hog Roast, Jacket Potatoes, Salads, scrumptious home-made cakes, and delicious Paravanni's Ice Cream.

The children ran in traditional races and the grownups vied in the age-old custom of tug of war, with Wingfield being declared winners in a best of 3 contest. Entertainment was provided by local singer Roy Goodwin and friends and by a display of classic vehicles, supplied by proud Wingfield and Syleham owners. Some brave residents turned their hand, or should we say feet, to a superb display Molly dancing. The children were kept busy with craft activities, glitter tattoos and a selection of games, topped off with an afternoon tea with all their favourite treats.

Prizes were awarded for the best decorated garden, best fancy dress, best children's artworks of Her Majesty and a cake competition Fit for a Queen. After a fabulous day, people were kindly transported home by Jeff in his bus.
